### Please note:

- Completing this request does not guarantee that a sick note will be issued.
- Your Doctor will not issue a sick note for the first 7 days of any absence from work/illness. This period is covered by Self Certification. Your employer should be able to provide you with a Self Certification form.
- If the Doctor approves your request for a sick note it will be ready for collection from reception 2 working days following the receipt of your request.
- Sick notes can be backdated therefore it is unlikely that your sick note needs to be available quicker than 2 working days following the receipt of your request.
